Visualize... in the coming months you could be financially independent from the residual aspects of our program and here's why...

- * Grocery Delivery Industry is Fast Growing Industry - to date it has grown from the millions to over a Billion!
- * Expected to reach 85 Billion in 5 - 10 years!
- * Market still in its INFANCY... we're in front of trend!
- * Company averaging over 80% customer retention... means they're doing it right!
- * Customers spend average of \$500+ per month on groceries... making residuals huge!

As MPB explodes across America, it is leading the way for our partnering grocery delivery businesses to expand delivery into more local markets.

As MPB explodes across America, it is leading the way for our partnering grocery delivery businesses to expand delivery into more local markets.

GENERAL

- What is MPB?

MPB is the acronym for My Premier Business. MPB Today is the national marketing affiliate for Southeastern Delivery, a grocery home delivery company located in Pensacola, FL. Southeastern Delivery started delivering name-brand groceries, same as your local store, in 2009.

- How can I contact the corporate office?

By going to the Contact Us tab on the website and clicking on the email for the particular department you need.

Note: Before you email Customer Service PLEASE get with your upline, they should be able to answer the majority of your questions.

Please email only ONE department per your issue. If you DO have to email corporate, be sure to have a Subject line to help them direct your issue. For example: URL not working, still not showing up as Active, etc.

GROCERIES / PRODUCTS

- Where can groceries be shipped?

Presently groceries are shipped for MPB Today customers and affiliates to every state in the U.S. that has postal & UPS delivery address. We ship ONLY non-perishable dry-goods only.

- What is the delivery time once my groceries are ordered?

Orders typically ship within 3 business days after the order has been received in the home office and all information is complete.

- What are the shipping charges on groceries?

The shipping & handling charges are appropriate to what you order and your location, but can average from 25- 50%. If you order lighter items - your cost is lower than if you order heavy items.

As an Incentive to help us build our customer base, if you order after your team sales reach \$1200 in volume within the first 2 levels of your team, the shipping & handling is paid by the company -- or -- you have the option in lieu of having the dry-good Items shipped to you, you can elect to have us send you a \$200 gift card from a national grocery retailer where you can shop unrestricted and get all of your grocery items including meats, milk, cheese, fruits, vegetables, etc.

- What is the Risk of losing Money?

You can join for free and become qualified for all commissions by making retail sales... without spending a dime out of pocket.

If you elect to make a \$200 qualifying purchase, you get \$200 worth of products or groceries. So your only expense would be the shipping and handling for the product/groceries selected. As stated above, we even have a way you can get this paid by the company. Therefore your risk is very minimal.

- What methods of payments are accepted?

Mastercard, Visa, and Discover

COMMISSIONS

- How do I get paid commissions from MPB?

Checks! If you elected to get a \$200 gift card instead of having groceries shipped to you- the card will come along with the check.

- When I cycle how do I notify corporate if I want the GIFT Card from the national grocery retailer or want to order groceries?

It's simple... Upon cycling, to receive groceries simply submit your grocery order within 3 days after cycling according to the instructions listed on the website. If we do not receive a grocery order from you, we interpret that as your decision to receive the \$200 Gift Card from a national grocery retailer.

MATRIX

- Do I have to do 2 New Sales for each Matrix?

No! One of the characteristics of our 2x comp plan that makes it so good is the way it works as you move from one matrix to the next. You only need 2 personal sales to qualify for all matrix commissions.

- What happens if my matrix is filled before I have my 2 personal sales?

You cycle, but since you are not qualified to receive commissions, these are banked until you qualify.

MISCELLANEOUS

- Can I sign up as a Free Affiliate?

Yes. You can sign up as an Affiliate for FREE and become active once you achieve \$200 in retail sales. Please note you will have limited access to the Back Office until you have met the \$200 in retail sales and you CANNOT Sponsor any affiliates until you are active. You will not appear in your Sponsor's Matrix until you are active. To learn more and sign up [click here](#).

- Where can I order MPBtoday business cards, postcards, etc?
<http://www.mpbtools.com> Also there is a business flyer in your back office.
- What if I forget my Username / URL?

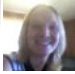

Go to main website <http://GroceriesTogo.net> and login – you will see your website URL there. If you've forgotten your ID# to login, ask your sponsor to find it in the genealogy. PS. It's a good idea to tell your new sign-ups to WRITE DOWN their ID#.
